WESTERN DISTRICT OF TEXAS

FILED

FEB - 8 2017

CLERK, U.S. DISTRICT COURT
WESTERN DISTRICT OF TEXAS
BY DEPUTY

Paul Eric Hawbecker,

Plaintiff(s)

v.

Michelle Marie Hall,

Defendant(s)

Civil Action No. 5:14-cv-01010-XR

MOTION TO DISMISS

The defendant moves to dismiss the action because:

The Plaintiff on many occasions has fail to file on time. Taking leave of the courts time. He has also on multiple occasions came to an settlement agreement only to change it at last minute after receiving everything he had originally asked for. He then has taken what was given to him and turned around to use as evidence. The Plaintiff has been wasting the courts time. Everything that was said or done was online and has been deleted and removed as per original settlement agreement. He is dragging this out in hopes of receiving money that is not there to give. I am disabled and no longer able to work other than a direct sales company that I help my husband with. I have provided financials to show this during mediation.
